# Sending Messages of Hope & Inspiration

Since we have all been through a challenging year I thought it would be a great idea to send messages of hope or inspiration to patients, nursing home residents and frontline caregivers at Christ Hospital.

**Option 1: Email us your inspirational messages using the email:**  
[patientandguestservices@thechristhospital.com](mailto:patientandguestservices@thechristhospital.com)

**Option 2: Share your inspiration message on social media**

Take a photo of yourself making a heart symbol with your hands and post your message via Instagram or Facebook feed/stories

Share a video message (15 seconds or less) and post via Instagram or Facebook

Make sure you tag [@thechristhospital](#) and [@uc\\_nsslha](#) also use [#ThatMomentIsNow!](#) If you don't tag them, they may not see your message/won't be able to share with their staff. Tag your friends and family to challenge them to do the same!
